MARCH EDITION

Inviting New People to Know Jesus

In the gospel of John, we read that Jesus made an intentional trip to Samaria to meet a woman drawing water at the village well. He offered her life, living water, and a love that satisfied. She was the first person that Jesus revealed himself to as the messiah. The woman was so moved by the love that Jesus showed her that she went to her town and told the people to come and meet Jesus for themselves.

[What would happen if we shared with our neighbors the love and living water we have received from Jesus?](#)

Over the next five years, we will be putting a special focus on encouraging the members of our church to intentionally invest time sharing their faith with new people who like the people of Samaria had never known Jesus. Holy conversations can happen at anytime and often occur with small groups of people. We have created several environments to support each other to share our faith.

The season of Lent and Easter is a special time to tell people about your faith in Jesus, tell them about how you are different because you know him, and tell them what you love about our church family. In our newsletter this month we have listed several engaging events and worship services that would be perfect to invite your neighbors to.

We will be hosting a message series on sharing our faith entitled, "Love Your Neighbor" April 12 – May 3, 2026. Bring your calendar on April 19th for an interactive activity.

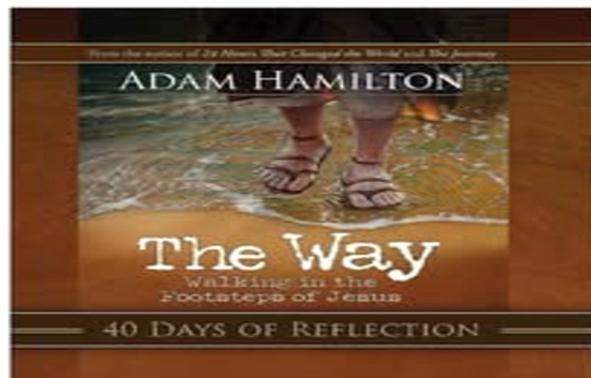

Our church is going to be present at several festivals and community events over the course of this year. We would like to encourage each of us to connect with someone else from our church you feel comfortable with and then make plans to spend an hour or two at one of these events intentionally sharing your faith in Jesus with new people. We have a group that will prepare printed materials about our church and engaging activities as icebreakers. Sharing our faith is like anything else in life. The more that we practice, the more confident and effective we become.

What would happen if we shared with our neighbors the love and living water we have received from Jesus?

Many Samaritans from that city believed in him because of the woman's testimony, "He told me everything I have ever done." So when the Samaritans came to him, they asked him to stay with them, and he stayed there two days. And many more believed because of his word. They said to the woman, "It is no longer because of what you said that we believe, for we have heard for ourselves, and we know that this is truly the Savior of the world." John 4:39-42
